

Hello Students!

Welcome to a new school year!

Whether you are a returning student or just started on your new journey, we hope that this school year proves to be exciting and rewarding and we at Kingston District HRPAs are excited to get to know you and help you in your future career.

As a student in the HR field, you won't find a better connection to Kingston-area HR professionals, job placements and perhaps even full-time jobs on graduation than the KD-HRPA.

By joining the HRPAs (and especially the Kingston Chapter) you are entitled to some excellent benefits including:

Free attendance at all KD-HRPA events. These informative events provide career development, mentoring and educational opportunities through seminars, meetings and more. There are typically six events per year and while other attendees will pay anywhere from \$20-\$35 per event, as a student, your annual membership fee will cover all registration fees! To see a list of events, please visit our local chapter website: www.kdhrpa.com

In addition to this excellent benefit offered exclusively by KDHRPA, you are entitled to the following benefits offered to all students nationally within the HRPAs:

- The opportunity to build your network of HR Professionals here in Kingston, and across the country;
- Access to CHRP prep resources and study groups;
- Receive a free subscription to HR Professional Magazine;
- Access to Hire Authority - an exclusive Job Board for HR Professionals and students;
- Access to HRPAs Knowledge Centre;
- Access discounts exclusively for HRPAs members only. To view additional special offers available to members only, click here: <http://www.hrpa.ca/MemberCentre/Pages/MemberSavings.aspx>

As a student, you also have access to the HRPAs Student Centre which has information and resources that benefit you as a student.

Check it out at: <http://www.hrpa.ca/MemberCentre/Pages/Student.aspx>

All these benefits are available for new student membership prices of either:

1. $\$85 + \text{HST} = \96.05 which gives you the annual student rate for two years after graduation even if you are working in HR.

Or

2. HRPAs newly introduced special rate of $\$50.00 + \text{HST} = \56.50 . This rate is one time only special offer. On the next renewal, the rate will go to the full student pricing or Practitioner depending if you have graduated or not. This rate is not available online. Interested students can print, complete, scan, mail or fax the application to the HRPAs office.
